THE INVESTOR RELATIONS OF CLASSYS 2025

13 Feb 2025

Disclaimer

This material has been prepared by Classys (the “company”) for the purpose of providing information in a presentation that will be made for investors. Please be informed that transferring, copying, or re-distributing this document to others is prohibited.

Attendance at this presentation is considered as your agreement to comply with the above-mentioned restrictions, and violation of these restrictions may be regarded as a violation of the Financial Investment Services and Capital Markets Act of South Korea.

The forward-looking statements included herein are unverified and pertains to future events related to the company’s expected future financial performance, and are expressed with words such as ‘forecast,’ ‘prospect,’ ‘expectation,’ ‘outlook’ and ‘(E).’

Despite being made in good faith based on reasonable grounds or assumptions by management, such “forward-looking statements” are subject to various influences, including changes in future business environments, and inherently contain uncertainties. As a result, actual future performance may significantly differ from the information stated or implied in the forward-looking statements.

Additionally, the future outlook is based on the information available at the time of the presentation and is subject to change based on future market developments and changes in the Company’s strategic direction without prior notice.

The company and its executives do not assume any responsibility for losses incurred through the use of this document (including negligence and other cases).

This document does not constitute a solicitation for placement, sales, trading or subscription of stocks. No part of this document should be considered as a basis or ground for related contracts, agreements, or investment decisions. All investment decisions related to stock purchases should be made solely based on investors’ reasonable judgment.

(Note 1) Cash & Cash Equivalents is the sum of cash and cash equivalents, short-term financial instruments, and financial assets at fair value through profit or loss (FVPL).

5. 2025 Guidance

Full-scale Growth in the US

Rapid market expansion with high customer satisfaction: “no numbing required and immediate results”

Launch in Europe/ME

MDR (medical device regulation) approval and successful launching in major countries for Ultraformer MPT and Volnewmer

Successful Localization in Japan

Aggressive marketing of Volformer combination treatment, targeting chain clinics, will enable local subsidiaries to achieve profitability through stable sales performance from the outset.

Expansion of Domestic Market

Successful launch of Secret Max & Expansion of REEPOT user experience

Soaring Procedures Globally

Achieved overwhelming results for domestic Volnewmer treatments and increased treatments per installation globally

Improved Profit Margin

High-margin products’s contribution to rapid sales growth and stronger quality control and cost competitiveness
